“Reptes de la UE per als pròxims anys” A perspective from the 60th anniversary of the Rome Treaties

On March 20 and 21, 2017, the Seminar on the European Union was held at the [University of Lleida](http://www.udl.es) [<http://www.udl.es>]. On this occasion, current issues were discussed: the refugee crisis, Brexit, Russia-Syria, security-defense and the EU's participation in the peace process in Colombia. Professors who are experts in these areas analyzed the challenges that the EU is currently facing.

Implicación de la UE en el establecimiento de la paz en Colombia
