## "Reptes de la UE per als pròxims anys" A perspective from the 60th anniversary of the Rome Treaties

On March 20 and 21, 2017, the Seminar on the European Union was held at the University of Lleida [http://www .udl.es ]. On this occasion, current issues were discussed: the refugee crisis, Brexit, Russia-Syria, security-defense and the EU's participation in the peace process in Colombia. Professors who are experts in these areas analyzed the challenges that the EU is currently facing.
